FLOOD MITIGATION EFFORTS: A HUGE THANK YOU TO ALL who have come together to assist in and continue to work to protect community members from the anticipated high waters. PROPERTY PROTECTION recommendations from Homeland Security: ELEVATE, WATERPROOF, AND CLEAR DEBRIS Your goal remains to reduce the risk of damage to structures from flooding. This means elevating critical utilities, such as electrical panels, switches, sockets, wiring, appliances, and heating systems, and waterproofing basements. In areas with repetitive flooding, consider elevating the entire structure. Make sure that basements are waterproofed and that your sump pump is working and then install a battery-operated backup in case of a power failure. Installing a water alarm will also let you know if water is accumulating in your basement. Clear debris from gutters and downspouts. Anchor any fuel tanks. Move furniture, valuables, and important documents to a safe place. Please be advised the current run off predictor remains with a high expectancy for flooding to soon occur.

YOGA – Exploring community Interest: Mike Dabich continues to explore interest in a Yoga class to be offered at the Town Fire Hall. He is aware of three folks that are interested so far, so please, if you are interested please let Mike know, or you may send an email to Christy at christy@hudsonwyoming.org, call 332-3605 and leave a message of your interest, or stop by the Hall.

BRUSH PILE: Please remember that *only lawn debris, trees and branches, and brush and weeds may be dumped into the brush pile.* There are to be no fence posts, lumber, building demo, personal garbage, cans, metal or plastic placed in the pile.

ANIMALS: As a reminder all dogs and cats are required to be licensed annually in the Town of Hudson. Proof of rabies vaccination is required before a license can be issued. Licenses are \$5.00 for a neutered animal and \$7.00 for those not neutered. Should your pet be found roaming without a license? You will need to pay for a license before you may have them back. Annual licensing is required as per Town Code Chapter 4 section 4-15; **Licenses expire on May 30th of each calendar year.** To register your animal, you must present a current rabies certificate. The cost of the town license is \$5.00 for neutered animals and \$7.00 for non-neutered. **KENNEL LICENSE:** Those persons owning more than three animals, are additionally required to obtain an annual kennel permit. This permit costs \$50.00.
