Library Notes from Julie: HAPPY NEW YEAR! The longer I am in Hudson, the more thankful I am to be here and the more excited I am about the future here! The Angel's Stop Toy Drive was awesome! Thanks to the many who donated, about 40 kiddos received an average of 4 toys/books/games each. Huge thank you to all who gave! Thank you also to those who brought in decorations for the Library. New things are always fun and, we also had decorations to share.

The library is now constantly adding new books. A lot of things come in from the other branches in the county. Also, we have a collection of about 150 DVD's that rotate every 60 days. Mary Anne is back!! She was on an extended break and she was so missed. It's good to have her back! Her regular day is Monday 2 - 5 but, she pops in and out a lot.

As for me, I'm considering my options to relieve the severe pain of osteoarthritis. I'm devoted to the library but, lately, not always up to the challenge and, for this, I apologize. I have no intention of giving up on this wonderful work and service to my favorite town.
