

FACT SHEET RE: HUDSON CEMETERY PROCEEDURES & RULES

1. The Hudson Cemetery is made up of Alphabetically named blocks (A-W)
2. Each block has a number of lots usually 20. Each of these lots has 6 grave plots.
3. At present the cost of each grave plot is \$150.00 for town residents and \$225.00 for out of town persons. The cost of lots is set from time to time by the Governing Body of the Town of Hudson and may change from those posted here.
4. As far as the individual plots go:
 - a. There can be one full burial in a plot or
 - b. 2 cremation burials in one plot
 - c. In the instance of a baby they may be placed with a full burial
5. There is an opening and closing fee for each burial. Full burials are at present \$250.00 and cremation burials are \$75.00. In winter the cost is calculated at time and materials because of the extra ground preparation.
6. The Town does not allow the planting of bushes or plants on the graves. There is a marked area on the South west side of the cemetery designated for memorial trees and bushes and the Town welcomes the placing of memorials there.
7. The placing of coping or fences around the graves sites is not allowed.
