Please CONTROL your animals: *It is not permissible to let them roam around or be off your property, without you present.* Town Ordinance #811 and the Town Code Sec 1-5. penalties may be found on the town website www.hudsonwyoming.org or you may come by the Hall and pick up a copy. The Sheriff's office (332-5611) is working with the Town to enforce rules. Please do not call the Sheriff's office on minor incidents (let the Town know), yet, if it is an incident of aggression or constant disturbance, then please call. Additionally, *if you carry a cell phone, please use the camera and take a picture or a video if possible. This helps identify the dog or animal, without question.* Thank you!

Mosquito's: In spraying for mosquito's we try to accommodate special requests for no spray. However, should a report come back showing a mosquito trapped, that has a virus, we are mandated to spray everywhere. Also, please look outside, around your home, for any area that gathers standing water. Be sure to drain or treat standing water. Use an aerosol or propane fogger to clear mosquito's. Treat shady areas around the house, especially around entry ways, where resting mosquitoes are more likely to come indoors.

Heartfelt thanks to Atlantic City Federal Credit Union and Brian

Rohrbacher for the donation of the popcorn machine, for town movie night events.

THE HEADWATERS COMMUNITY ARTS, 20 STALNAKER ST. in DUBOIS, WYOMING:

Dave Roever will be sharing his story. Since 2007, at the organization’s Eagles Summit Ranch in Westcliffe, Colorado, and in Junction, Texas, and at other excellent facilities, Dave Roever and his team help to restore hope, provide keys for success, and train today’s wounded warriors to have meaningful futures or for Christian ministry, through **Operation Warrior RECONnect**. **Admission to this event is free.** Please come and be sure to invite a veteran. If someone chooses, they may purchase one of Mr. Roever’s books or make a freewill offering to the Roever Foundation, Inc., which will go to fund scholarships for wounded warriors and their families through Operation Warrior RECONnect. Dave is an American Hero, a recipient of the Purple Heart and other service medals. At the height of the Vietnam War, he joined the U.S. Navy and served as a river boat gunner in the elite Brown Water Black Beret -- until tragedy occurred. His survival and ensuing life with his faithful wife Brenda at his side are miraculous.
