The signs will be painted and then go up on both ends of town with the assistance of WY DOT.

**Reading of Town Meters:** *Please note, this past month there were many meters that were unable to be read, due to snow and ice impeding the ability to read them. Those meters were estimated.*

# **L**IBRARY *a place for people*

Mary Anne Robeson has the town Library set up beautifully with puzzles, dvds, a kid's center, and a wonderful variety of books for all ages. Please go and check out the inventory and utilize the library; it would be a loss to the community, to have the doors closed permanently. We thank Mary Anne for her willingness to keep the doors open. You will generally find the Library open Monday, Wednesday and Friday 2-5:30p.m. Please drop a note at the Town Hall if you have interest into other times and days for the Library to be open.

***The Hudson basketball and wrestling teams have been traveling. Mayor Anderson also continues to work to bring baseball to the community this summer.***
